Find Closest Milk!

Publix Yeeters

Last summer, when I was trying to put on weight for crew, my least favorite part was having to constantly shove myself full of food. Do you know what it's like getting up to eat an entire rotisserie chicken at 3am just to get those sweet, sweet bonus calories? Do you know what it's like to stare at yourself in the mirror while you become more and more saturated because you're drinking straight maple syrup and it's pouring all over yourself and you hate yourself because it's so disgusting but you keep going because you want a national championship? I do. That rotisserie chicken and syrup came from Publix, the best supermarket in the United States! Very, very tasty and nutritious, and I loved to wash it down with an entire gallon of delicious Publix chocolate milk! For only \$1.50 a gallon, you too can experience the goodness. 8/10, it's pretty average chocolate milk but it's from Publix so it slaps
