Hello United States Marine Corp

Being the smallest branch of the armed forces has not stopped the United States Marine Corp from gaining an important role in US military doctrine, serving as the expeditionary force for the united states and as effective shock troops who have proven their value throughout the Corp's illustrious history

Founded: 10 November 1775

MOTTO: Semper Fidelis

Notable Battles: Iwo Jima, Battle of Chapultepec, Battle of Dernie, Guadalcanal

Famous Members: Daniel Daly, John Basilone, John Glenn

March:
